

B & B SUZUKI-EN

葡萄とワインの町勝沼は、かつては甲州街道の難所笹子峠を往来する人々の憩う宿場町でもありました。当時の面影を残す古民家を改装した当宿では、甲州ワインや自園の葡萄、そして園主が蒐集したワインと葡萄にまつわる古今東西の品々とともに、皆さまのご宿泊をお待ちしています。

Katsunuma town is the most famous for grapes and wine in Japan, and it was a post town on Koshu-Kaido Road in the past. And travelers who crossed "Sasago-pass" that was a dangerous spot along the way to Edo took a rest here. Our hotel is valuable buildings whose appearance and interior show signs of those days. We'll entertain you with Koshu wine, home-grown grapes and a gallery about wine and grapes. We are looking forward to your visit.
